Re- Patent Application #10/633,359 and 11/783,263

Dear Andrea,

T.W.

I just received a letter from your office reminding me that the petition to revive my application was dismissed because I failed to submit \$270.00 with my petition.

Reason I did not enclosed the money was because I enclosed attached form: PETITION TO MAKE SPECIAL BASED ON AGE FOR ADVANCEMENT OF EXAMINATION...UNDER 37 CFR 1. 102(C)(1) which I believed makes me eligible for this exemption. Please accept FAXED copies I sent to Charles Steven Bentley as well. It seems as if I've been PAWNED OFF from examiner to examiner. Why is this really happening to me, after working so hard to develop this product; I left several messages May 25 2011 to the correspondence number supplied (571-272-3226) no one returns my call. I also faxed the documents to (571-273-8300. I need to know if after you have re-checked the documents I still need to send \$270.00 (Two hundred Seventy Dollars) if I do I will send it. Please explain to me why is this enclosed form does not apply to me. I would also like to know if your office received a PROTOTYPE MODEL of my invention. As a matter of courtesy could you please let me know? Thanks

Could you provide me with an online address that I could pay this money? Thanks
